Contents

No 1 March 1986

The demand for health: theory and applications ADAM WAGSTAFF *page* 1
Comparison of chiropractic and hospital outpatient management of low back pain: a feasibility study REPORT OF A WORKING GROUP *page* 12
The Port Pirie cohort study: maternal blood lead and pregnancy outcome ANTHONY J MCMICHAEL, GRAHAM V VIMPANI, EVELYN F ROBERTSON, PETER A BAGHURST, AND PETER D CLARK *page* 18
Testicular cancer mortality in England and Wales 1971–80: variations by occupation M E MCDOWALL AND R BALARAJAN *page* 26
Parental occupations and cancer: a review of the literature S E ARUNDEL AND L M KINNIER-WILSON *page* 30
Diet and coronary heart disease in England and Wales during and after the second world war D J P BARKER AND C OSMOND *page* 37
Effect of a lactation nurse on the success of breast-feeding: a randomised controlled trial DEE A JONES AND ROBERT R WEST *page* 45
Social and family factors in childhood hospital admission D M FERGUSSON, L J HORWOOD, AND F T SHANNON *page* 50
Illness, disability, and drugs among 25 to 75 year olds living at home HEDLEY PEACH AND JOHN R H CHARLTON *page* 59
Breast screening clinic versus health education session as outlets for BSE education C FLAHERTY, J PHILIP, W G HARRIS, AND C A F JOSLIN *page* 67
Psychiatric morbidity after screening for breast cancer CHRISTINE DEAN, M MAUREEN ROBERTS, KATE FRENCH, AND SUSAN ROBINSON *page* 71
Increase in hospital admissions for torsion of testis M NELMS AND D COGGON *page* 76
Reduction of tar, nicotine, and carbon monoxide intake in low tar smokers M A H RUSSELL, M J JARVIS, C FEYERABEND AND Y SALOOJEE *page* 80
Prevalence of goitre and hypothyroidism in Southern Tanzania: effect of iodised oil on thyroid hormone deficiency W WÄCHTER, M MVUNGI, A KÖNIG, C R PICKARDT, AND P C SCRIBA *page* 86
Cerebral palsy—is it a seasonal disorder? LALIT KANT, SAROJINI DEWAN, AND B K JAIN *page* 92
Society for Social Medicine *page* 94
Letter to the Editor *page* 70
Corrections *page* 96

No 2 June 1986

Mortality ratios, life expectancy, and causes of death in patients with Turner's syndrome W H PRICE, J F CLAYTON, S COLLYER, R DE MEY, AND J WILSON *page* 97
Lifestyle changes in long term survivors of acute myocardial infarction R R WEST AND DA EVANS *page* 103
Phlegm production and lung function among cigarette smokers changing tar groups during the 1970s HEDLEY PEACH, D M HAYWARD, D R ELLARD, R W MORRIS, AND D SHAH *page* 110
Community hospitals in Oxfordshire: their effect on the use of specialist inpatient services JAMES E BAKER, MICHAEL GOLDACRE, AND J A MUIR GRAY *page* 117
The natural history of asthma in childhood H R ANDERSON, J M BLAND, S PATEL AND C PECKHAM *page* 121
Distribution of episodes of mental illnes in general practice: results from the Second National Morbidity Survey N C SMEETON *page* 130
Provision of services for incontinent elderly people at home CATHERINE W MCGROTHER, CHRISTOPHER M CASTLEDEN, HILARY DUFFIN AND MICHAEL CLARKE *page* 134
The elderly at home: indices of disability CAROL JAGGER, MICHAEL CLARKE, AND RICHARD ANDREW DAVIES *page* 139
An evaluation of screening policies for cervical cancer in England and Wales using a computer simulation model D M PARKIN AND S M MOSS *page* 143
Family building in parents with Down's syndrome children A R BOON *page* 154
Services for stroke patients one year after stroke JULIA LEGH-SMITH, DERICK T WADE, AND RICHARD LANGTON-HEWER *page* 161
Use of the Nottingham Health Profile with patients following a stroke SHAH EBRAHIM, DAVID BARER, AND FIONA NOURI *page* 166
Repetition of accidents in young children C JANE EMINSON, HARJINDER JONES, AND MICHAEL GOLDACRE *page* 170
Factors influencing participation in health surveys. Results from the prospective study "Men born in Malmö, Sweden, 1914" LARS JANZON, BERTIL STEEN, BERTIL HANSON, SVEN-OLOF ISAACSON, AND SVEN-ERIC LINDELL *page* 174
Further evidence of a fall in blood lead in Wales PETER C ELWOOD AND COLIN TOOTHILL *page* 178
Methylmercury exposure and mortality in southern Japan HIDEHIKO TAMASHIRO, MIKIO ARAKAKI, MAKATO FUTATSUKA, AND EUN SUL LEE *page* 181
Blood pressures higher in the home than in the clinic in rural Kenya N R POULTER, J D LURY, AND A V THOMPSON *page* 186
Blood pressure and salt in Malawi: an urban rural study D SIMMONS, G BARBOUR, J CONGLETON, J LEVY, P MEACHER, H SAUL, AND T SOWERBY *page* 188

No 3 September 1986

Perinatal mortality standards: construction and use of a health care performance indicator E G KNOX, R LANCASHIRE, AND E H ARMSTRONG *page* 193

Congenital cytomegalovirus infection: predisposing maternal factors PHILIP M PREECE, PAT TOOKEY, ANTHONY ADES, AND CATHERINE S PECKHAM *page* 205

Seasonal variations in cryptorchidism MARK B JACKSON AND ANTHONY J SWERDLOW *page* 210

Month of birth of men with malignant germ cell tumours of the testis L BERNSTEIN, CLAIR CHILVERS, T MURRELLS, AND M C PIKE *page* 214

Recent trends in mortality due to testicular cancer in Ireland: a comparison with England and Wales JOHN A THORNHILL, RONAN M CONROY, DANIEL G KELLY, ANTHONY WALSH, JAMES J FENNELLY, AND JOHN M FITZPATRICK *page* 218

Maternal smoking and low birthweight: implications for antenatal care ROGER J SIMPSON AND N G ARMAND SMITH *page* 223

Why did postperinatal mortality rates fall in the 1970s? R SUNDERLAND, A GARDNER, AND R R GORDON *page* 228

Research in epidemiology and community health in the medical curriculum: students' opinions of the Nottingham experience J M ELWOOD, J C G PEARSON, R J MADELEY, R F A LOGAN, M W BEAVER, P A GILLIES, J LITTLE, AND A LANGHAM *page* 232

Epidemiology of rotavirus gastroenteritis Y SENTURIA *page* 236

Insulin-dependent diabetes in a Scottish region: incidence and urban/rural differences N R WAUGH *page* 240

Trends in blood lead levels in Christchurch (NZ) and environs 1978–85 DAPHNE HINTON, PATRICIA A COOPE, WILLIAM A MALPRESS AND EDWARD D JANUS *page* 244

The Tromsø heart study: alcoholic beverages and coronary risk factors TORMOD BRENN *page* 249

Mortality from alcohol related disease in Italy CARLO LA VECCHIA, ADRIANO DECARLI, GUERRINO MEZZANOTTE, AND CESARE CISLAGHI *page* 257

Ethnic group differences in low birthweight of live singletons in Singapore, 1981–3 KENNETH HUGHES, NALLA R TAN, AND KWOK-CHAN LUN *page* 262

Who responds to postal questionnaires? ANN CARTWRIGHT *page* 267

Letters to the Editor *page* 274

No 4 December 1986

Health and disease: two philosophical perspectives LENNART NORDENFELT *page* 281

Is there seasonal variation in the prescribing of antidepressants in the community? KEREN SKEGG, D C SKEGG, AND B W MCDONALD *page* 285

Early oral contraceptive use and breast cancer: theoretical effects of latency KLIM MCPHERSON, P A COOPER, AND M P VESSEY *page* 289

The nature of mycobacterial disease in south east England, 1977–84 MALCOLM D YATES, JOHN M GRANGE, AND CHRISTOPHER H COLLINS *page* 295

Perinatal outcomes and related factors: social class differences within and between geographical areas DIANA ELBOURNE, COLIN PRITCHARD, AND MARJORIE DAUNCEY *page* 301

Breast feeding and smoking hygiene: major influences on cotinine in urine of smokers' infants ALISTAIR WOODWARD, NICK GRGURINOVICH AND PHILIP RYAN *page* 309

A case-control study of acute appendicitis and diet in children M NELSON, J MORRIS, D J P BARKER AND S SIMMONDS *page* 316

Distribution of body weight and height: comparison of estimates based on self-reported and observed measures WAYNE J MILLAR *page* 319

Association of serum lipids with coffee, tea, and egg consumption in free-living subjects MANFRED S GREEN AND ELIEZER JUCHA *page* 324

Heart rate, employment status, and prevalent ischaemic heart disease confound relation between cereal fibre and blood pressure MICHAEL J LICHTENSTEIN, MICHAEL L BURR, ANN M FEHILY, AND JOHN W G YARNELL *page* 330

A randomised controlled trial to investigate the effect of a high fibre diet on blood pressure and plasma fibrinogen ANN M FEHILY, MICHAEL L BURR, BARBARA K BUTLAND, AND ROBERT D EASTHAM *page* 334

Edinburgh breast education campaign on breast cancer and breast self-examination: was it worth while? M MAUREEN ROBERTS, SUSAN E ROBINSON, KATE FRENCH, ANN PROUDFOOT, HELEN TALBOT, AND ROBERT A ELTON *page* 338

Motor neurone disease in the Lothian Region of Scotland, 1961–81 SUSAN M HOLLOWAY AND J DOUGLAS MITCHELL *page* 344

Epidemiology in Antarctica HILARY KING *page* 351

Changes in annual tuberculosis notification rates between 1978/79 and 1983 for the population of Indian subcontinent ethnic origin resident in England A J NUNN, JANET H DARBYSHIRE, WALLACE FOX, DEBORAH A JOHNSON, AND V H SPRINGETT *page* 357

What's in a name? Accuracy of using surnames and forenames in ascribing Asian ethnic identity in English populations ANGUS NICOLL, KAREN BASSETT, AND STANLEY J ULIJASZEK *page* 364

Index to volume 40 *page* 369
